Destinatários

This course is aimed at any existing Certified ScrumMaster® who wishes to further and enhance their skills. It will help anyone who is on the lifelong journey of incorporating Scrum values and Agile principles into their world of work.

Pré-requisitos

You **MUST** have an active CSM® certification with Scrum Alliance®.

Objetivos

By the end of this course you will be able to:

- Facilitate dialogue between the Product Owner, team members, customers, stakeholders, and executives.
- Respond confidently when encountering resistance to change, lack of engagement, low motivation, and unavailability of key people.
- Help your company adopt Scrum and support executives committed to Agile values.
- Remove impediments that prevent long-term, deep adoption of Scrum and Agile practices by all parts of the business.
- Explain the value of Scrum and Agile processes to skeptics.
- Increase developer engagement to encourage greater accountability, commitment, and buy-in.
- Extend the impact of Scrum throughout the organisation.
- Scale Scrum and Agile beyond a single team.
- Leverage your learning to gain recognition and status as the local Agile expert in your company.
