

PL-200: Microsoft Power Platform Functional Consultant

- **Formato do curso:** Presencial e Live Training
- **Localidade:** Lisboa
- **Data:** 26 Jun. 2023 a 29 Jun. 2023
- **Preço:** 1860€
- **Horário:** Laboral - 09h00 - 17h00
- **Nível:** Intermédio
- **Duração:** 35 horas

This course will teach you to use Microsoft Power Platform solutions to simplify, automate, and empower business processes for organizations in the role of a Functional Consultant. A Microsoft Power Platform Functional Consultant is responsible for creating and configuring apps, automations, and solutions.

They act as the liaison between users and the implementation team. The functional consultant promotes utilization of solutions within an organization. The functional consultant may perform discovery, engage subject matter experts and stakeholders, capture requirements, and map requirements to features. They implement components of a solution including application enhancements, custom user experiences, system integrations, data conversions, custom process automation, and simple visualizations.
